The “Barn Quilts of Jessamine County” Quilt

In 2018-2019 The Jessamine Piece Quilters embarked on their yearly charity quilt, and decided to honor the Barn Quilts of Jessamine County in a set of barns and miniature quilts. We quickly determined that we couldn't give away this quilt! It will be kept for display in Jessamine Co.

Locations of Barn Quilts of Jessamine County

In 2007-2008 Eddie Clements and the Art Depository of Nicholasville, KY received a grant from Jessamine County Fiscal Court, and together with the Jessamine Co. Extension Office, the Jessamine County Chamber of Commerce, and other volunteers, solicited quilt patterns and barn locations from county residents.

Barn Quilts were painted and installed in 2007 and 2008.
